

Council

History!

It all started when FDR decided he was tired of feeling unsafe, and so he created a body of people to represent each country in the UN to discuss how to keep the peace.

Security

Purpose!

Be a part of something big! The Security Council maintains international and universal peace FOR ALL COUNTRIES!!

Join the

Meet the Leaders!

Gary Quinlan - President of the Security Council and the ambassador for Australia. He has done many international missions including being the senior advisor to the Prime Minister of Foreign Affairs.

Li Baodong - Ambassador for China and was the president in past years. He also participated in the Korean and Iranian nuclear issues.

Gerard Araud - Ambassador for France and was the president.

Vitaly Churkin - Ambassador for Russia, and he gave an informal consultation in relation to the nuclear test in North Korea.

Sir Mark Lyall Grant - Ambassador for France, and president of the Security Council three times. He handled Namibia and became private secretary to the Minister of Africa.

Samantha Power - Ambassador to US. She prevents genocide and covered Yugoslav wars as a journalist.

How Does it Fit to the UN?

The Security Council fits like a glove to the UN because it focuses on the safety of all nations and that is exactly what the UN is all about. It give the feeling of peace and security to all nations.

Why Join?

The Security Council has made some notable contributions to the world. Their initiatives include arresting war criminals and saving future generations. Their only conflicts are when people try to start wars. Also, their progress is that they have prevented, and they are always UN was created, and they are always called to prevent things from escalating.

Fun Fact: The Security Council is what taps into phones, internet, and any form of contact.
