

## How it fits

The structure of WHO is to help out the countries that have gone through violence or war and help them restore peace throughout the countries.

## Fun facts

WHO believes that by 2020 ALL countries will have safe, clean drinking water, food and shelter.

## World Health Organization

### Purpose

Attainment by all peoples of the highest possible level of health.

Health as defined in the WHO constitution is a state of complete physical, mental and social well being and not merely the absence of disease or infirmity.
